CERTIFICATE OF ACCREDITATION

This is to attest that

CXT, INC.

3808 NORTH SULLIVAN ROAD, BUILDING #7
SPOKANE VALLEY, WASHINGTON 99216

Fabricator Inspection Program FA-471

has demonstrated that its in-plant inspection program for precast/prestressed concrete fabrication is in compliance with the International Accreditation Service, Inc. **Accreditation Criteria for Fabricator Inspection Programs for Reinforced and Precast/Prestressed Concrete (AC157)** and is recognized under Section 1704.2.5.1 of the 2015 International Building Code®, Section 1704.2.5.2 of the 2012 International Building Code®, and Section 1704.2.2 of earlier code editions, commencing October 29, 2015.

The inspection program covered under this certificate is conducted in accordance with the fabricator's management system manual which outlines the detailed fabrication and quality control procedures. Periodic plant inspections are conducted to monitor the fabricator's management system verifying continual compliance with the requirements as listed in the above scope of accreditation. Accreditation is limited to the specified inspections related to the fabrication process and procedures only. Accreditation does not cover the product or the specific design or performance characteristic of the fabricated products. The approved inspection agency for this facility is Benchmark Holdings LLC (AA-660).

This accreditation certificate supersedes any IAS accreditation bearing an earlier effective date. The certificate becomes invalid upon suspension, cancellation or revocation of accreditation. See <http://iasonline.org/More/search.html> for current accreditation information, or contact IAS at 562-364-8201
