

*The industry leader in precast concrete buildings—delivered to site and ready to use!*

- ISO 9001 Approved
- Licensed California/Nevada Manufacturer
- Licensed CMAS Contractor

## Need a restroom?

visit us at [www.cxtinc.com](http://www.cxtinc.com)

CXT only builds ADA accessible buildings. We work with government (federal and state) and have a GSA, Forest Service and CMAS contract to help provide excellent pricing for our vandal-resistant buildings.

We can accommodate you with:

- California/Nevada engineered wet stamped drawings with calculations included. California approval/inspections before delivery!
- Off loading the building with installation included.
- Pad construction for the building and any other site work you may need can be estimated accordingly.
- Anti-graffiti system.
- Stainless steel plumbing fixtures.
- Integral concrete colors to match any color scheme.
- Concrete roof.
- Nine standard textures and styles.
- **SOLAR POWER** — On grid or off grid, we can do it!!

FEATURING:

- Vault Toilets
- Flush Toilets
- Shower Buildings
- Storage Buildings
- Utility Buildings
- Concession Buildings
- Restroom/Concession
- Restroom Storage
- Custom Buildings
